U16 ATHLETES WISHING TO RACE IN OCREC24 STANDARD COURSE

The minimum age to participate in FISO\EOSF international events may vary from country to country, depending on the local law; it may also vary depending on the law of a person's home country.

The minimum age to participate in the OCR European Championships 2024 is 12 years old:

- 100m race is open from 12yo;
- Short race is open from 12yo;
- Standard race is open from 16yo;
- Team race is open from 16yo;

The age is calculated as follows:

- For Over 15yo athletes, the age is calculated on Dec 31st 2024;
- For Under 15yo athletes, the age is calculated ON RACE DAY;
- An athlete who is 15yo on race day but turns 16 on or before December 31st 2024 is allowed to race in Standard/ Team Course (even though it does not reach the minimum age requirements), if their legal representative and National Governing Body sign the present document;

Acknowledging the above, I
